SCHOOL UNIFORM OUTFITTERS

Dear Parent,

OFF TO A GREAT START....

Just a short note to formally recognise our first year of working with King Edwards VI as your authorised School Uniform /Sportswear supplier.

We thank you wholeheartedly for your custom over the last 12 months and hope that we have lived up to our reputation as the largest Independent School Uniform Outfitters in the UK.

With any new relationship there can always be teething problems, so I thank you for raising with us comments that have been passed onto us by the school's management. We value all feedback given to us and constantly review with our senior management team where we can improve our products and services.

We actively encourage parents that would like to, to contact us with their feedback on our service and products, either directly on our website at www.stevensons.co.uk/feedback or by e-mailing us at customerservices@stevensons.co.uk , or giving us a ring on 01727 815700 (9:00am - 5.30pm GMT Mon - Sat).

We look forward to continuing to work with the school for many years to come.

Regards,

Sam Killin
XXV Brand Manager
