Terms and Conditions

I/we understand that:

1. The school acts solely as my/our agent and only arranges on my/our behalf for a bus company to transport my/our children to and from the school.
2. The transport is provided by the Bus Company and is subject to their Terms and Conditions. Details of these Terms can be obtained from the appropriate company concerned.
3. Any failure by the Bus Company to provide a transport service will not entitle me/us to any refund.
4. Detailed travel arrangements may change from time to time as the geographic distribution of children varies or road conditions alter and will be at the discretion of the school.
5. It should be noted that not all the buses are fitted with seat belts.

6. The school cannot be held in any way responsible for items of lost property and bus companies should be contacted directly by parents.

7. A full term's notice must be given to the school in writing before leaving the transport system, otherwise a full term's fees will have to be paid in lieu of notice.

8. Transport shall be paid termly, in advance, and is collected with the school fees.

I/we* understand that the transport services provided are limited to the above and that I/we* remain responsible for my/our child's/children's safety and behaviour at all times during their carriage between home and school and vice versa.
