

## **South U14 Hockey Heats: November 12<sup>th</sup> @ Eastbourne College**

As you are aware the U14 girls' hockey team have qualified for the regional heats as a result of winning the county championships earlier in the term. I would like your daughter to continue to be a member of the squad for this event. The details are below and apologies for the early start!

Date: Wed 12<sup>th</sup> November

Venue: Eastbourne College

Depart from KES: 0700 from Hill Lane

Return to KES: 1645 to Hill Lane

Travel: Coach

Staff: Mr Kent and Mr Crichton

Match Schedule: All matches are 30 mins and ours are scheduled for 10:30, 11:50 and 13:10. The opposition is yet to be announced as some counties are yet to finalise their representatives.

Required Kit: All players should have both maroon and blue playing shirts

Players should have school track suit bottoms and maroon hoody plus waterproof top

Please ensure players have their gum shield and shin pads.

A school packed lunch will be provided but it will be a long day so it may be wise to ensure that players have extra food and drink to keep them going throughout the day. We will also stop en route to give the girls the opportunity to buy food at a service station on the way back.

It is the players responsibility to see the teachers of the lessons they will be missing to get the work they need to complete and ensure they are up to date.

If there are any problems please do not hesitate to contact me.

Yours Sincerely

Mr D Kent

Director of Sport
